St. Thomas International Regatta
March 22nd to 25th, 2018
sailed from St. Thomas YC.

The St. Thomas Sailing Center has IC 24's for boat access at rock bottom prices for 3 days of racing plus practice day. Contact Dave Franzel at stycsailingcenter@gmail.com

Pricing starts at \$2100 for race ready sails and
\$2800 for boats with brand new sails

The IC24 is the Caribbean's hottest racing one design fleet with over 25 boats on St. Thomas, Puerto Rico and Tortola. The boats are refitted J24's with super large comfortable cockpits. The boats are easy to sail and perfect for a family or a group of yacht club sailors.

The racing includes up to 15 races both "around the buoys" and point to point racing around our beautiful islands.

Sail configuration: Main, Spin and 105% Jib

The boats are race ready and moored right at the club. Class rules stipulate no hiking, the traveler has been eliminated for simplicity and boats are raced with four or five crew. Weight limits 700 to 850 lbs.

With your charter comes a practice day and a 30 Day [Blue Water membership](#) to STYC which includes liability insurance.

The NOR and other documents and info can be found on the Yacht Scoring Website www.yachtscoring.com

Help with housing is provided by Club Member Adam at stychousing@gmail.com
